

Hi my name is Samuel Lopez. Not a lot of of kids love bootcamp quite as much as I do. I had wanted to go to bootcamp since I was a little kid and when I went it did not disappoint. God has used bootcamp to move in my life several times and I truly believe that if you open up to what God wants to so you can truly se breakthrough. An example of this is the 2019 bootcamp. Pastor Paki Raj preached an incredible sermon, about looking in the mirror seeing who you really are and changing from your wicked ways. The sermon penetrated my heart and to this day almost a year later is still carrying out its affect in my life. I encourage anyone who's on the fence about bootcamp to give it a chance and see what God will do.
