

My name is Jessica Hernandez and I am 20 years old. I am very blessed to say that Christ came into my life at the age of 13. One of the greatest advantages of having God in my heart at a young age was that God kept me from a lot of heart-ache and pain that many teens experience. The number one thing that helped me live for God as a teen was being an active part in the Youth Group here at church. Not only was I able to build friendships with teenagers that loved God; but I was greatly motivated by my Youth Pastors, who at the time were George and Jessica Rangel.

I thank God that this church has a burden for us young people; they invest time, money and prayer just to see us make it for God. And I am here to say that if it weren't for the investment of my Pastors, the Youth Group, and the congregation I wouldn't be where I am today. God is and will continue to do a great work in our Youth; please keep investing and praying for us! Thank you and God Bless!
